With the blessings of Poojnnia Shree 1008 Satguru Swami Teonram ji Maharaj

We inform you about

## **JANMASHTMI**

( the Advent of Lord Shree Krishna)

The festival of Janamashtmi brings us great joy as with the Birth of the Lord. Whenever we become weak, whenever we go astray, the Lord comes to our rescue. Lord Shree Krishna came to establish righteousness and to guide humanity

From his early days, He showed His divinity to all the habitants of Vrindavan, but due to the delusion of Maya, they loved and treated Hims as an ordinary human, as a child His Parents, Maya Yashoda and Nand Baba, protected Him and inspite of this, the Lord killed demons such as Putna and Vatraser.

He punished the sinners and played the divine Raas with the Gopis and Radha

His life and the miracles He performed are well known at a international scale for example The "Bhagvad Geeta" from which many passages have been extracted along these.
